

VII National Tournament Quality Cup Presidential Coffee 2021

1. Description

Golondrina Farm – Golondrina Micro Lot

The “Golondrina” farm was recognized from the Bolivian Cup of Excellence, being the winner in different versions of it. Currently, with all the experience acquired, it is committed to the production of special coffee with Java and Geisha varieties. As one of the pioneers in the Municipality of Caranavi, is now betting on this variety of the highest quality. Mr. Celso, like all coffee growers, is passionate and extremely dedicated to the management and activities of these varieties, which are susceptible to diseases and soil deficiencies, he does not neglect the harvest and post-harvest tasks to guarantee the exotic attributes of the variety. It’s first fruits reached the status of Presidential Coffee in the Fifth Version of the “National Tournament Quality Cup” in 2019. The excellence of his coffee production traveled to Japan, when they were acquired by the company SAZA Coffee.
