## **1. Description**

### **Green Mountain Farm – Green Mountain Micro Lot**

Mr. Licarion, his wife and their three sons come from a generation of coffee-producing family of more than 30 years. The coffee grown by his parents were particularly Tipyca, Caturra and lately Red Catuai.

Mr. Licarion, as the son of traditional coffee producers, decided to adopt, together with his brothers, the predominant varieties in quality and price. For the 2021 Presidential Coffee Tournament, he presented his micro-lot “Montaña Verde – Green Mountain”, from his first batch of fruits produced of the Geisha variety and received the surprise to be among the best coffee in Bolivia.
