VII National Tournament Quality Cup Presidential Coffee 2021

1. Description

Alvarez Farm – Picaflor Micro Lot

Mrs. Lucia Núñez's family, has been cultivating coffee for 5 years, producing various varieties such as: Red Catuai, Java, Caturra, Pacamara and Geisha. It has a greater extension of cultivation of the Red Catuai variety of 3 hectares, now in it's third, second and first year of production respectively.

Her plantation of the Geisha variety, reaches 1/6 of a hectare and is in it's her second year of production. While her coffee plantation varieties, such as Java and Caturra, are in their third year of production where each reach 1/6 of an hectare.

Finally, it's plantation of the Pacamara variety, very much smaller in size, is in it's first year of production. With the diversity of varieties mentioned. Mrs. Lucia and her family of 5 members, is testing both the yield and the cup quality of their coffees, to be able to export specialty coffees.
