VII National Tournament Quality Cup Presidential Coffee 2021

I. Description

Kenia Farm – Kenia 4 micro lot

In the central Uchumachi Alianza community, Roció's family became the pioneers in coffee production, with the launch of the coffee program and the Presidential Coffee Tournament, they sought a variety with which to compete in quality, in their first participation in in 2017 they managed to enter the international auction.

He names his micro batch with the name of Kenya, because he considers it a very interesting process that in the future he wants to develop with his coffee and it is also the name that his daughter bears.
