# **VII National Tournament Quality Cup Presidential Coffee 2021**

## **I. Description**

### **Senda Salvaje Farm – Senda Salvaje Micro Lot**

Senda Salvaje's farm, is located at 42 kilometers from the city of Caranavi, at an altitude of 1.750 meters above sea level in the Loa Community, Central Northeast and territory of Caranavi, in La Paz-Bolivia.

Mrs. Araceli and her family are producers of "Senda Salvaje" specialty coffees for more than 18 years. Her parents, as second generations for over 11 years, while now Araceli currently corresponds to the third generation.

They work as a family, starting from production to the transformation of the product. To them, producing coffee is a great profession, it's their passion and tradition.

The harvest is carried out supported by people from neighboring colonies, friends and family, from may to october. They currently have coffee plantations of five varieties such as: Java, Geisha, Pacamara, Catuai and Castillo.
