1. Description

Catari Farm – Café Marcelino Micro Lot

Mr. Marcelino, his wife and their 4 children, have been engaged in coffee farming for more than 15 years in the Copacabana community of the Caranavi rural territory in the Caranavi municipality.

The commitment to quality in coffee has recently led him to cultivate exotic varieties such as Geisha, with which he seeks to achieve high qualities, appealing above all to the good management that is typical of the culture transmitted by his parents for years growing coffee.
